Sir:

Please review and enter the following remarks summarizing the interview conducted on

October 29, 2008:

REMARKS

Applicant thanks Examiner Tammy Pham for her time in conducting the courteous and productive telephonic interview on October 29, 2008 regarding the rejection to claims 1-3, 5-7, 9-15 and 17 under 35 U.S.C. § 103(a) as allegedly being unpatentable over Jacobson et al. (US 5,961,804) in view of Gordon, II et al. (US 6,271,823 B1).

To summarize this conversation, Applicant's representative presented Applicant's position that one of ordinary skill in the art would not have been motivated to combine Jacobson with Gordon as suggested by the Examiner. As indicated in the attached Examiner's Interview Summary (PTOL-413), the Examiner agreed with the Applicant's position. The Examiner further agreed to withdraw the final rejection of October 15, 2008 and reopen prosecution.

It is respectfully submitted that the instant STATEMENT OF SUBSTANCE OF INTERVIEW complies with the requirements of 37 C.F.R. §§1.2 and 1.133 and MPEP §713.04.
